Dear Sir/Madam:

In connection with the above-referenced filing, the Corporate Financing Department (Department) has reviewed the information and documents submitted through FINRA's public offering filing system.

This will confirm that based on such information and documents, the Department has decided to raise no objections with respect to the fairness and reasonableness of the underwriting terms and arrangements as proposed in such documents.

You should note that the Department also requires: (1) any amendments to documents, (2) changes in the public offering price and/or number of shares prior to or at the time of pricing, and (3) a copy of the final prospectus to be filed on a timely basis for review. If such changes indicate a modification of the terms and arrangements of the proposed offering, further review may result in a change in the Department's opinion.

This is an advisory opinion of the Department's staff based on the information as presented to FINRA in connection with this offering. This opinion should not be deemed a precedent with respect to the fairness and reasonableness of the terms and arrangements of any other offering. This opinion relates solely to the FINRA rules governing underwriting terms and arrangements and does not purport to express any determination of compliance with other FINRA statutory or regulatory requirements.

If you have questions regarding this letter, please call the undersigned at (240) 386-4623.
