Report of Independent Auditor

To the Board of Directors and Shareholders of
Wheeler Real Estate Investment Trust, Inc.

Report on the Statement

We have audited the accompanying statement of revenues and certain operating expenses (the "Statement") of Cypress Shopping Center (the "Property") for the year ended December 31, 2013.

Management's Responsibility for the Statement

Management is responsible for the preparation and fair presentation of this Statement, in accordance with accounting principles generally accepted in the United States of America, that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on this Statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the Statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the Statement.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the Statement referred to above presents fairly, in all material respects, the revenues and certain operating expenses of the Property for the year ended December 31, 2013 in conformity with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As further discussed in Note 1, on July 1, 2014, Wheeler Real Estate Investment Trust, Inc., through its subsidiary of Wheeler REIT, L.P., completed the acquisition of the Property.

The accompanying Statement was prepared as described in Note 2, for the purpose of complying with the rules and regulations of the Securities and Exchange Commission and is not intended to be a complete presentation of the Property's revenues and expenses.

Cypress Shopping Center
Notes to Statements of Revenues and Certain Operating Expenses
For the Three Months Ended March 31, 2014 (Unaudited) and the Year Ended December 31, 2013

1. Business and Purchase and Sales Agreement

On May 5, 2014, Wheeler Real Estate Investment Trust, Inc., through its subsidiary of Wheeler REIT, L.P., (the "Operating Partnership") assumed from Wheeler Interests, LLC ("Wheeler Interests") the Purchase and Sales Agreement (the "Agreement") to acquire Cypress Shopping Center (the "Property"), a 80,435 square foot grocery-anchored shopping center located in Boiling Springs, South Carolina for a purchase price of approximately \$8.3 million. On July 1, 2014, the Operating Partnership completed the acquisition. The Property is 93% occupied and is anchored by a Bi-Lo grocery store which occupies approximately 59% of the total rentable square feet of the center through a twenty-year lease expiring in March 2018 with six five-year options remaining.

2. Basis of Presentation

The Statement of Revenues and Certain Operating Expenses (the "Statement") have been prepared for the purpose of complying with Rule 3-14 of Regulation S-X, promulgated by the Securities and Exchange Commission, and is not intended to be a complete presentation of the Property's revenues and expenses. Certain operating expenses include only those expenses expected to be comparable to the proposed future operations of the Property. Expenses such as depreciation and amortization are excluded from the accompanying Statement. The Statement has been prepared on the accrual basis of accounting which requires management to make estimates and assumptions that affect the reported amounts of the revenues and expenses during the reporting periods. Actual results may differ from those estimates.

3. Revenues

The Property leases retail space under various lease agreements with its tenants. All leases are accounted for as noncancelable operating leases. The leases include provisions under which the Property is reimbursed for common area maintenance, real estate taxes and insurance costs. Pursuant to the lease agreements, income related to these reimbursed costs is recognized in the period the applicable costs are incurred. Certain leases contain renewal options at various periods at various rental rates.

Bi-Lo's annualized rental income on a straight-line basis represented 58.56% of total annualized rental income for all tenants on a straight line basis as of March 31, 2014 (unaudited) and December 31, 2013. The termination, delinquency or nonrenewal of this tenant may have a material adverse effect on revenues. No other tenant represents more than 10% of annualized rental income as of March 31, 2014 (unaudited) and December 31, 2013.

The weighted average remaining lease terms for tenants at the property was 3.65 years as of March 31, 2014 (unaudited). Future minimum rentals to be received under noncancelable tenant operating leases for each of the next five years and thereafter, excluding CAM and percentage rent based on tenant sales volume, as of March 31, 2014 (unaudited) and December 31, 2013 were as follows:

	<u>Twelve Months Ending</u> <u>March 31,</u> <u>(unaudited)</u>	<u>Years Ending</u> <u>December 31,</u>
2014	\$ —	\$ 745,782
2015	740,929	719,676
2016	713,301	698,636
2017	680,726	634,386
2018	628,209	220,081
2019	79,404	25,731
Thereafter	<u>12,852</u>	<u>—</u>
	<u>\$ 2,855,421</u>	<u>\$ 3,044,292</u>

The above schedule takes into consideration all renewals and new leases executed subsequent to March 31, 2014 until August 13, 2014.

UNAUDITED PRO FORMA CONDENSED CONSOLIDATED FINANCIAL INFORMATION

The following unaudited pro forma condensed consolidated financial statements have been prepared to provide pro forma information with regard to the acquisition of Cypress Shopping Center (“the Property”), which Wheeler Real Estate Investment Trust, Inc. and Subsidiaries (“Wheeler REIT” or the “Company”), through Wheeler Real Estate Investment Trust, L.P. (“Operating Partnership”), its majority-owned subsidiary, assumed a Purchase and Sales Agreement with a related party on May 5, 2014. The Operating Partnership completed the acquisition on July 1, 2014.

The unaudited pro forma condensed consolidated balance sheet as of March 31, 2014 gives effect to the acquisition of the Property as if it occurred on March 31, 2014. The Wheeler REIT column as of March 31, 2014 represents the actual balance sheet presented in the Company’s Quarterly Report on Form 10-Q (“Form 10-Q”) filed on May 15, 2014 with the Securities and Exchange Commission (“SEC”) for the period. The pro forma adjustments column includes the preliminary estimated impact of purchase accounting and other adjustments for the periods presented.

The unaudited pro forma condensed consolidated statements of operations for the Company and the Property for the three months ended March 31, 2014 and the year ended December 31, 2013 give effect to the Company’s acquisition of the Property, as if it had occurred on the first day of the earliest period presented. The Wheeler REIT column for the three months ended March 31, 2014 represents the results of operations presented in the Company’s Form 10-Q. The Wheeler REIT column for the year ended December 31, 2013 represents the results of operations presented in the Company’s Annual Report on Form 10-K (“Form 10-K”) filed with the SEC on March 21, 2014. The Property column includes the full period’s operating activity for the Property, as the Property was acquired subsequent to March 31, 2014 and therefore was not included in the Company’s historical financial statements. The pro forma adjustments columns include the impact of purchase accounting and other adjustments for the periods presented.

The unaudited pro forma condensed consolidated financial statements have been prepared by the Company’s management based upon the historical financial statements of the Company and of the acquired Property. Since the acquisition transaction closed during the third quarter of 2014, the Property will be included in the consolidated financial statements included in the Company’s Form 10-Q for the three months ended September 30, 2014, to be filed with the SEC. These pro forma statements may not be indicative of the results that actually would have occurred had the acquisition been in effect on the dates indicated or which may be obtained in the future.

In management’s opinion, all adjustments necessary to reflect the effects of the Property acquisition have been made. These unaudited pro forma condensed consolidated financial statements are for informational purposes only and should be read in conjunction with the historical financial statements of the Company, including the related notes thereto, which were filed with the SEC on March 21, 2014 as part of its Form 10-K for the year ended December 31, 2013 and on May 15, 2014 as part of its Form 10-Q for the three months ended March 31, 2014.

Pro Forma Balance Sheet

- A. Reflects the unaudited condensed consolidated balance sheet of the Company as of March 31, 2014 included in the Company's Form 10-Q for the three months ended March 31, 2014.
- B. Represents the estimated pro forma effect of the Company's \$8.3 million acquisition of the Property, assuming it occurred on March 31, 2014. The Company has initially allocated the purchase price of the acquired Property to land, building and improvements, identifiable intangible assets and to the acquired liabilities based on their preliminary estimated fair values. Identifiable intangibles include amounts allocated to above/below market leases, the value of in-place leases and customer relationships value, if any. The Company estimated fair value based on estimated cash flow projections that utilize appropriate discount and capitalization rates and available market information. Estimates of future cash flows are based on a number of factors including the historical operating results, known trends and specific market and economic conditions that may affect the Property. Factors considered by management in its analysis of estimating the as-if-vacant property value include an estimate of carrying costs during the expected lease-up periods considering market conditions, and costs to execute similar leases. In estimating carrying costs, management includes real estate taxes, insurance and estimates of lost rentals at market rates during the expected lease-up periods, tenant demand and other economic conditions. Management also estimates costs to execute similar leases including leasing commissions, tenant improvements, legal and other related expenses. Intangibles related to above/below market leases and in-place lease value are recorded as acquired lease intangibles and are amortized as an adjustment to rental revenue or amortization expense, as appropriate, over the remaining terms of the underlying leases.

Pro Forma Statement of Operations

- A. Reflects the consolidated statement of operations of the Company for the three months ended March 31, 2014.
- B. Amounts reflect the historical operations of the Property for the three months ended March 31, 2014, unless otherwise noted.
- C. Represents the estimated unaudited pro forma adjustments related to the acquisition for the period presented.
 - (1) Represents estimated amortization of above/below market leases which are being amortized on a straight-line basis over the remaining terms of the related leases.
 - (2) Represents the estimated depreciation and amortization of the buildings and related improvements, leasing commissions, in place leases and capitalized legal/marketing costs resulting from the preliminary estimated purchase price allocation in accordance with accounting principles generally accepted in the United States of America. The buildings and site improvements are being depreciated on a straight-line basis over their estimated useful lives up to 40 years. The tenant improvements, leasing commissions, in place leases and capitalized legal/marketing costs are being amortized on a straight-line basis over the remaining terms of the related leases.
 - (3) Represents interest expense on mortgage debt that matures in July 2024 and accrues interest at a rate of 4.70% per annum.
- D. Reflects the consolidated statement of operations of the Company for the year ended December 31, 2013.
- E. Amounts reflect the historical operations of the Property for the year ended December 31, 2013, unless otherwise noted.
