**Report of Independent Auditor**

To the Board of Directors and Shareholders of  
Wheeler Real Estate Investment Trust, Inc.

**Report on the Statement**

We have audited the accompanying statement of revenues and certain operating expenses (the "Statement") of Pierpont Centre (the "Property") for the year ended December 31, 2013.

**Management's Responsibility for the Statement**

Management is responsible for the preparation and fair presentation of this Statement, in accordance with accounting principles generally accepted in the United States of America, that is free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on this Statement based on our audits. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the Statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the Statement.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the Statement referred to above present fairly, in all material respects, the revenue and certain operating expenses of the Property for the year ended December 31, 2013 in conformity with accounting principles generally accepted in the United States of America.

**Emphasis of Matter**

As further discussed in Note 1, on January 14, 2015, Wheeler Real Estate Investment Trust, Inc., through its subsidiary of Wheeler REIT, L.P., completed the acquisition of the Property.

The accompanying Statement was prepared as described in Note 2, for the purpose of complying with the rules and regulations of the Securities and Exchange Commission and is not intended to be a complete presentation of the Property's revenue and expenses.

**Pierpont Centre**  
**Notes to Statements of Revenues and Certain Operating Expenses**  
**For the Nine Months Ended September 30, 2014 (unaudited) and the Year Ended December 31, 2013**

**1. Business and Purchase and Sales Agreement**

On November 3, 2014, Wheeler Real Estate Investment Trust, Inc., through its subsidiary of Wheeler Real Estate Investment Trust, L.P. (the "Operating Partnership"), entered into a Purchase and Sale Agreement (the "Agreement") to acquire Pierpont Centre (the "Property"), a 122,259 square foot shopping center located in Morgantown, West Virginia for a purchase price of approximately \$13.9 million. On January 14, 2015, the Operating Partnership completed the acquisition. The Property is 96% occupied and is anchored by Shop 'N Save, which occupies approximately 31% of the total rentable square feet of the center through various leases which expire through December 2019.

**2. Basis of Presentation**

The Statements of Revenues and Certain Operating Expenses (the "Statements") have been prepared for the purpose of complying with Rule 3-14 of Regulation S-X, promulgated by the Securities and Exchange Commission, and are not intended to be a complete presentation of the Property's revenues and expenses. Certain operating expenses include only those expenses expected to be comparable to the proposed future operations of the Property. Expenses such as depreciation and amortization are excluded from the accompanying Statements. The Statements have been prepared on the accrual basis of accounting which requires management to make estimates and assumptions that affect the reported amounts of the revenues and expenses during the reporting periods. Actual results may differ from those estimates.

**3. Revenues**

The Property leases retail space under various lease agreements with its tenants. All leases are accounted for as noncancelable operating leases. The leases include provisions under which the Property is reimbursed for common area maintenance, real estate taxes and insurance costs. Pursuant to the lease agreements, income related to these reimbursed costs is recognized in the period the applicable costs are incurred. Certain leases contain renewal options at various periods at various rental rates.

The following table lists the tenants whose annualized rental income on a straight-line basis represented greater than 10% of total annualized rental income for all tenants on a straight line basis as of September 30, 2014 (unaudited) and December 31, 2013:

<b>Tenant</b>	<b>September 30, 2014</b>	<b>December 31, 2013</b>
Shop 'N Save	20.2 %	20.5 %
Michael's	12.4 %	12.6 %
Books-A-Million	10.8 %	9.8 %

The termination, delinquency or nonrenewal of one of the above tenants may have a material adverse effect on revenues. No other tenant represents more than 10% of annualized rental income as of September 30, 2014 (unaudited) and December 31, 2013.

**3. Revenues (continued)**

The weighted average remaining lease terms for tenants at the property was 3.18 years as of September 30, 2014 (unaudited). Future minimum rentals to be received under noncancelable tenant operating leases for each of the next five years and thereafter, excluding CAM and percentage rent based on tenant sales volume, as of September 30, 2014 (unaudited) and December 31, 2013 were as follows:

	<u>Twelve Months Ending September 30, (unaudited)</u>	<u>Years Ending December 31,</u>
2014	—	\$ 1,276,696
2015	1,219,560	1,224,680
2016	1,042,239	949,907

Thereafter	437,352	312,596
	<u>\$ 4,732,922</u>	<u>\$ 5,706,865</u>

The above schedule takes into consideration all renewals and new leases executed subsequent to September 30, 2014 through the date of this report.

**UNAUDITED PRO FORMA CONDENSED CONSOLIDATED FINANCIAL INFORMATION**

The following unaudited pro forma condensed consolidated financial statements have been prepared to provide pro forma information with regard to the acquisition of Pierpont Centre (“the Property”), which Wheeler Real Estate Investment Trust, Inc. and Subsidiaries (“Wheeler REIT” or the “Company”), through Wheeler Real Estate Investment Trust, L.P. (“Operating Partnership”), its majority-owned subsidiary, obtained the right to acquire through the assumption of a Purchase and Sales Agreement from a related party on November 3, 2014. The Operating Partnership completed the acquisition on January 14, 2015.

The unaudited pro forma condensed consolidated balance sheet as of September 30, 2014 gives effect to the acquisition of the Property as if it occurred on September 30, 2014. The Wheeler REIT column as of September 30, 2014 represents the actual balance sheet presented in the Company’s Quarterly Report on Form 10-Q (“Form 10-Q”) filed on November 13, 2014 with the Securities and Exchange Commission (“SEC”) for the period. The pro forma adjustments column includes the preliminary estimated impact of purchase accounting and other adjustments for the periods presented.

The unaudited pro forma condensed consolidated statements of operations for the Company and the Property for the nine months ended September 30, 2014 and the year ended December 31, 2013 give effect to the Company’s acquisition of the Property, as if it had occurred on the first day of the earliest period presented. The Wheeler REIT column for the nine months ended September 30, 2014 represents the results of operations presented in the Company’s Form 10-Q. The Wheeler REIT column for the year ended December 31, 2013 represents the results of operations presented in the Company’s Annual Report on Form 10-K (“Form 10-K”) filed with the SEC on March 21, 2014. The Property column includes the full period’s operating activity for the Property, as the Property was acquired subsequent to September 30, 2014 and therefore was not included in the Company’s historical financial statements. The pro forma adjustments columns include the impact of purchase accounting and other adjustments for the periods presented.

The unaudited pro forma condensed consolidated financial statements have been prepared by the Company’s management based upon the historical financial statements of the Company and of the acquired Property. Since the acquisition transaction closed during the first quarter of 2015, the Property will be included in the consolidated financial statements included in the Company’s Form 10-Q for the three months ended March 31, 2015, to be filed with the SEC. These pro forma statements may not be indicative of the results that actually would have occurred had the anticipated acquisition been in effect on the dates indicated or which may be obtained in the future.

In management’s opinion, all adjustments necessary to reflect the effects of the Property acquisition have been made. These unaudited pro forma condensed consolidated financial statements are for informational purposes only and should be read in conjunction with the historical financial statements of the Company, including the related notes thereto, which were filed with the SEC on March 21, 2014 as part of its Form 10-K for the year ended December 31, 2013 and on November 13, 2014 as part of its Form 10-Q for the nine months ended September 30, 2014.

Pro Forma Balance Sheet

- A. Reflects the unaudited condensed consolidated balance sheet of the Company as of September 30, 2014 included in the Company's Form 10-Q for the nine months ended September 30, 2014.
- B. Represents the estimated pro forma effect of the Company's \$13.9 million acquisition of the Property, assuming it occurred on September 30, 2014. The Company has initially allocated the purchase price of the acquired Property to land, building and improvements, identifiable intangible assets and to the acquired liabilities based on their preliminary estimated fair values. Identifiable intangibles include amounts allocated to above/below market leases, the value of in-place leases and customer relationships value, if any. The Company estimated fair value based on estimated cash flow projections that utilize appropriate discount and capitalization rates and available market information. Estimates of future cash flows are based on a number of factors including the historical operating results, known trends and specific market and economic conditions that may affect the Property. Factors considered by management in its analysis of estimating the as-if-vacant property value include an estimate of carrying costs during the expected lease-up periods considering market conditions, and costs to execute similar leases. In estimating carrying costs, management includes real estate taxes, insurance and estimates of lost rentals at market rates during the expected lease-up periods, tenant demand and other economic conditions. Management also estimates costs to execute similar leases including leasing commissions, tenant improvements, legal and other related expenses. Intangibles related to above/below market leases and in-place lease value are recorded as acquired lease intangibles and are amortized as an adjustment to rental revenue or amortization expense, as appropriate, over the remaining terms of the underlying leases.

Pro Forma Statement of Operations

- A. Reflects the consolidated statement of operations of the Company for the nine months ended September 30, 2014.
- B. Amounts reflect the historical operations of the Property for the nine months ended September 30, 2014, unless otherwise noted.
- C. Represents the estimated unaudited pro forma adjustments related to the acquisition for the period presented.
  - (1) Represents estimated amortization of above/below market leases which are being amortized on a straight-line basis over the remaining terms of the related leases.
  - (2) Represents the estimated depreciation and amortization of the buildings and related improvements, leasing commissions, in place leases and capitalized legal/marketing costs resulting from the preliminary estimated purchase price allocation in accordance with accounting principles generally accepted in the United States of America. The buildings and site improvements are being depreciated on a straight-line basis over their estimated useful lives up to 40 years. The tenant improvements, leasing commissions, in place leases and capitalized legal/marketing costs are being amortized on a straight-line basis over the remaining terms of the related leases.
  - (3) Represents interest expense on debt used to finance the acquisition, which accrues interest at a rate of 4.15% per annum and matures in January 2025.
- D. Reflects the consolidated statement of operations of the Company for the year ended December 31, 2013.
- E. Amounts reflect the historical operations of the Property for the year ended December 31, 2013, unless otherwise noted.
